| <b>Material housing:</b>         | Aluminium / aluminium             |
| <b>Material Front :</b>          | Aluminium / aluminum              |
| <b>protection front:</b>         | IP20                              |
| <b>protection device:</b>        | IP20                              |
| <b>colour:</b>                   | schwarz / black                   |
| <b>controls:</b>                 | 2 Keys: Power, Reset, Status-LEDs |
| <b>wall mounting:</b>            | Optional / optional               |
| <b>cooling:</b>                  | lüfterlos / fanless               |
| <b>chipset:</b>                  | Intel System on chip              |
| <b>CPU Typ :</b>                 | Celeron                           |
| <b>CPU Model :</b>               | J1900                             |

|                            |                                          |
|----------------------------|------------------------------------------|
| CPU 64bit :                | Ja                                       |
| CPU speed:                 | 2000                                     |
| CPU cores:                 | 4                                        |
| RAM size (MB):             | 4096                                     |
| RAM max. size (MB):        | 8192                                     |
| RAM Number of benches:     | 1                                        |
| RAM Typ :                  | SO-DDR3L                                 |
| Grafik Controller:         | Intel HD Graphics Z3700 series           |
| Ethernet Controller:       | Intel WG I210IT                          |
| Audio Controller:          | Realtek ALC888S HD Codec                 |
| Mini-PCIe-slot:            | 1                                        |
| SSD design:                | 2.5"                                     |
| SSD max. number:           | 1                                        |
| SSD capacity (GB):         | 256                                      |
| RAID-System :              | Nein / no                                |
| Display:                   | 1x DVI-D                                 |
| USB :                      | 1 x USB 2.0                              |
| Seriell :                  | 2 x RS-232                               |
| Digitale I/O :             | 1 x 4in / 4out                           |
| Display :                  | 1x DVI-I                                 |
| USB :                      | 1 x USB 3.0, 2 x USB 2.0                 |
| LAN :                      | 2x RJ45 - 10/100/1000 Mbps               |
| Audio :                    | Line-Out, Mic-In                         |
| serial:                    | 2 x RS-232/422/485                       |
| controls:                  | Power On/Off                             |
| voltage input DC:          | 9-36 V/DC                                |
| power adapter:             | Optional externes Netzteil 100 - 240 V/A |
| WLAN:                      | Optional / optional                      |
| operating-system support:  | Windows 7 / 8.1 / 10 IoT                 |
| operating temperatur min.: | 0°C                                      |
| operating temperatur min.: | 50°C                                     |
| warranty:                  | 24 Monate / 24 months                    |
